Email chain between Doug and Sophie Miller. I spoke with her on the phone an she stated parties will be meeting at the old works golf course at 12:30 pm on Saturday. We need to know if Doug has spoken with Sophie and confirmed that time or if it's something we need to follow up on so please advise.

Certainly. Would 11:30am or noon MST, meaning 30 or 60 mins from now, work by any chance?

And thank you very much.

-Sophie

We're finding people right now. I'll likely attend as well. You available today, I can provide an update on discussions that won't violate the confidentiality order if that would be helpful.

Hello both,

Would you be able to recommend one or two EPA staff for Sen. Daines' likely site visit to the Anaconda Smelter Co. Superfund site this weekend?

Thank you very much.

Libby,

Doug is in a meeting right now and then has to leave right after to go home to adjust his suitcase. Do you have the e-mail that Sophie sent to Doug? Is there a phone number for her? I can print it out for him so he can call her on his way home. If he wants you to call, I will let you know.

Will that work?

Subject: Anaconda Site Visit Saturday

Hi Doug,

Bill Murray heard back from Charlie regarding availability for an Anaconda site tour this Saturday. He is available and ARCO will provide access for the tour. Charlie is thinking 1 ½ to 2 hours and if possible it would be good to start no earlier than mid-morning since he will be driving over from Helena. I believe you'll be seeing Charlie tomorrow so could coordinate on logistics. Charlie's cell is (406)459-1791.

I think Sophie Miller from Senator Daines office has reached out to you directly. Do you want us to get back with her or do you plan to?

Sincerely, Libby
